## Fascist Stratocracy

Close... But not too much- the army stays away from the politics as general because they are too afraid of themselves. Still, a lot of gov officials and nobility served in the army and love to show off in uniforms.  
For AN: socialist democracy.

The **Free Port of Cristina** is a sovereign city-state, country and a microstate. The country is a free economic zone where companies are taxed very lightly to encourage economic activity.
