Siberian Khatru, Yes.

we, unlike the bourgeoisie, have nothing to lose and therefore our expression will be the only honest one, our words will be the only challenging ones and our art will be the one revolutionary expression. We need new noise and new voices and new canvases to become something more than the last poets of a useless generation.

I am letting this nation die. I may or may not return after a long fucking while. I need a break from all the LYING AND CHEATING.

Oh, wait. That'll probably continue. I'm gonna pretend it's not happening, then.

Norse Mythology meets Buddhism, Hinduism, Gnosticism and other Abrahamic religions, as well as Classical (roman/greek) and Egyptian Mythology, with a heavy dosage of east-asian culture and shonen anime, and lots death metal. In space.
