I drown my citezens in civil rights.

I don't know how smart I am. I might be more wrong than I think.

I believe that maintaining the earth should be our first priority.
I believe in the harm principle as expressed in the fourth and fifth articles of the *Declaration of the Rights of Man and of the Citizen*.
I believe that gender roles are redundant.

Bisexual and genderfluid. I accept all pronouns. You don't have to worry about unintentionally offending me.
