Tech levels incompatible? Then kick me out of the thread, because if you RP with me you accept my tech.
Note: Before 2480, Olwe was called Athan. If you see this word in a thread, it's because you mentioned a year incompatible with Olwe in that thread but still made it open to all techs and therefore are allowing Athan's magic.

Bitter:Sweet - Dirty Laundry

If you like trip-hop but think it should be -- for lack of a better way to put it -- sluttier, check these guys (girls? their lead singer is female) out.

For 400 bucks you were sweet that day. Guess I should have known you'd never repay.

[Faith No More-From Out Of Nowhere](#)

Old Faith No More from back when Mike Patton sounded more "nasally", before I think he really became such a great vocalist. Still fine, especially since I kinda grew up on albums like this so I'm more used to the singing anyway.
