Mečizial Kušnes takes Man to G!kún||'hòmdímà on her spaceship, making sure to bring all the necessary provisions. 8 years later, they arrive.

As it turns out, Drergrumith is also on G!kún||'hòmdímà, so Man requests they find a different object.

Man is elected mayor on a "right to hunt" platform.

This nation reflects some of my RL views, but with everything taken to the extreme.

RL Political Compass: Economic Left/Right: -5.88; Social  
Libertarian/Authoritarian: 2.72

All Hail Emporer Pedro of Teletubieland!  
God save the King and his commie regime!

Democracy doesn't work. Nor does "Europe".

tutto è possibile, Entro i nostri limiti

In Italian it means

Anything is possible, within our limitations

Or at least i hope that's what it means since these days you can't trust google translate. For all I know I could be saying "Your mother was a hamster and your father smelt of elderberries!" PS: If you get that reference then you are very cultured.
