Anarcho-Capitalist.

Colossal modern island nation in the South Pacific. Ruled by a compassionate yet slightly-unhinged king, with a very isolationist yet empathetic populace. Notable characteristics: terrifyingly mighty air force and navy, world famous cars, legendary blend of wildlife.

NS stats are canon; factbook started. Some things are my RL views, some things are not. If curious, feel free to telegram.

Yes, I used to be a very immature person. That was years ago. I'm trying to be better now.

A federal socialist republic under a temporary military dictatorship

☐ **THE SACRED UNION OF AGARTHA** ☐ *"One cannot serve God and be enslaved to mammon!" - Matthew 6:24*

Escaping from the idolatry and soul-crushing societies of the so-called 'Die Freie Welt'. Those who still carry on the lord's work found refuge in the subterranean ancient realm of Agartha. Despite the offer- No, temptations by so-called demi-gods about helping him liberate the surface. Cardinal Ferro only intends to hold his ground and turn Agartha into a bastion of Christ.

Unstable military dictatorship resulting in parts of the nation being actually administered by the junta and other parts being totally consumed by anarchy, with no in between

Last edited by **Apostolic Austria** on Wed Jul 27, 2022 9:56 pm, edited 1 time in total.

The Jacobin destruction of the Sistine Chapel causes the papacy to be moved to Vienna, and become incorporated directly into the House of Habsburg and Austrian politics

And by some series of not yet spelled out so consider it alt-hist wizardry, the Archduchy of Austria becomes a semi-democratic federation in order to keep the nation stable, while the monarchy still retains significant executive authority
