Viikate - Aattoiltana

"Scythe - On Christmas Eve"

More depressing than you'd expect from a song with such a title. But the feeling makes so much more sense once you know that the album is called Vuoden Synkin Juhla (Gloomiest Celebration of the Year)

Judas Priest - Breaking the Law

I swear Rob looks like Eminem, but way more cooler and better.

Cyanide - Metallica

Genre: Heavy Metal

Album: Death Magnetic

DM really is a pretty solid album, but whoever was responsible for the mixing/production should be hanged for ruining such good music with such shitty audio mixing.

Slayer - Piano Wire

Best song from the new album. Reminds me of Jesus Saves and Mandatory Suicide. No surprise it was the only one Hanneman wrote.
