Justice - *Planisphère*

This is easily the longest song I've ever listened to (17:40!!) and its the perfect track to bridge the gap between their first two albums.

Imperial States of Duotona

Duotona is a nation nestled in the Pacific Ocean. Marked by the scars of its bloody past, the people of Duotona persist and have given the nation a voice from which it preaches the word of peace and democracy across the globe!

Nation reflects OOC views. NS stats are sent to the shadow realm.
