235 tried to please random people online after they made fun of a project he worked on for 5 weeks,

He died only after Ddosing the mean users computers and having their info leaked online, It was his final revenge which he sold his soul for.

Monkey 221 was quickly cut down by humanity's strongest soldier: a 5'2 Asian man with dual swords

Tutto è possibile, Entro i nostri limiti

In Italian it means
Anything is possible, within our limitations

Or at least i hope that's what it means since these days you can't trust google translate. For all I know I could be saying "Your mother was a hamster and your father smelt of elderberries!" PS: If you get that reference then you have WAY too much time on your hands.
