- There are many things said about Patagonia but few actually know what goes on behind the Andes mountains. Tales of human depravation and man's inner darkest self run wild. A place where avant-garde culture flourish and the artist don't fear the censor. Where all live bold and free under the gaze of the Patron. Yet all dreams will come to an end soon...

Wakanda has moved to Central Asia, along the path of the ancient Silk Road. T'Challa has developed the nation into a state-of-the-art constitutional monarchy. The people chose who their new prime minister would be and it's none other than the legend himself, Tom Hanks!

**MY KING IS T'CHALLA  
MY PRIME MINISTER IS TOM HANKS  
BEST CONSTITUTIONAL MONARCHY EVER**

T'Challa & Tom have plans for them to become fused with each other to become the ultimate sentient being capable of much more than physically and mentally possible for the standard human being. But not for a while.
