A nation of Slavic Mars' colonists who escaped from the nuclear apocalypse of Earth. We have not the Fully Automated Luxury Gay Space Communism (and we will never be gay). Our ideology .
The nation doesn't represent my views. It was created for artistic purposes and it's 0% political.

Capilean News (Updated 16 November)

*Where is the horse gone? Where the warrior?
Where is the treasure-giver? Where are the seats at the feast?
Where are the revels in the hall?
Alas for the bright cup! Alas for the mailed warrior!
Alas for the splendour of the prince!
How that time has passed away, dark under the cover of night, as if it never were.*
