Nothing to see here. Continue about your day, citizen.

F in the chat.

Alternatively, March 2003 is an uncommon time to be set, and I appreciate it.

Through a haze of green and white fog and the sloshing of the Pacific Ocean on the sides of your wooden sailboat, you lay eyes on a mystical OOO island full of creatures living in a medieval society in harmony with both nature and progress formed a millennium ago and kept moving forward by new human residents every couple years. New human residents quite like you.
