Tech levels incompatible? Then kick me out of the thread, because if you RP with me you accept my tech.
Note: Before 2480, Olwe was called Athan. If you see this word in a thread, it's because you mentioned a year incompatible with Olwe in that thread but still made it open to all techs and therefore are allowing Athan's magic.

Okay.....I think the shouting is my neighbor drunkenly mowing their lawn with a riding lawnmower. Shirtless, on a cloudy day, with a beer in hand.

That's such a good American stereotype for my neighborhood right there. Except the fact the house they live in is rather huge and not the stereotypical type of house you'd automatically assume someone like that would live in.
