George Michael - Careless Whisper
From *Live in London* (2009)

*Time can never mend
The careless whispers of a good friend
To the heart and mind
Ignorance is kind
There's no comfort in the truth
Pain is all you'll find*

*I'm never gonna dance again
Guilty feet have got no rhythm
Though it's easy to pretend
I know your not a fool*

*I should've known better than to cheat a friend
And waste the chance that I've been given
So I'm never gonna dance again
The way I danced with you*

Impossible is just a big word thrown around by small men who find it easier to live in the world they've been given than to explore the power they have to change it. Impossible is not a fact. It's an opinion. Impossible is not a declaration. It's a dare. Impossible is potential. Impossible is temporary. Impossible is nothing.

Brother Firetribe - Love Goes Down

The first band (in alphabetical order) in my collection to have their entire discography in there. They only got 3 albums though so there's that.

*You put the boom boom into my heart
You send my soul sky high when your lovin' starts
Jitterbug into my brain
Goes a bang bang bang 'til my feet do the same*

*But something's bugging you, something ain't right
My best friend told me what you did last night
Left me sleepin' in my bed, I was dreaming
But I should have been with you instead*

*Wake me up before you go go
Don't leave me hanging on like a yo yo
Wake me up before you go go
I don't want to miss it when you hit that high*

*Wake me up before you go go
'Cause I'm not plannin' on going solo
Wake me up before you go go
Take me dancing tonight
I wanna hit that high, yeah, yeah*

Philip Bailey and Phil Collins - Easy Lover
From *Chinese Wall* (1984)

*Easy lover
She'll get a hold on you believe it
Like no other
Before you know it you'll be on your knees
She's an easy lover
She'll take your heart but you won't feel it
She's like no other
And I'm just trying to make you see*

*She's the kind of girl you dream of
Dream of keeping hold of
You'd better forget it
You'll never get it
She will play around and leave you
Leave you and deceive you
Better forget it
Oh you'll regret it*

Madonna - Like a Virgin
From *Like a Virgin* (1984)

*I made it through the wilderness
Somehow I made it through
Didn't know how lost I was
Until I found you*

*I was beat
Incomplete
I'd been had, I was sad and blue
But you made me feel
Yeah, you made me feel
Shiny and new*

*Hoo, Like a virgin
Touched for the very first time
Like a virgin
When your heart beats
Next to mine*

Cher - Believe
From *Believe* (1998)

*No matter how hard I try
You keep pushing me aside
And I can't break through
There's no talking to you
It's so sad that you're leaving
It takes time to believe it
But after all is said and done
You're gonna be the lonely one*

*Do you believe in life after love
I can feel something inside me say
I really don't think you're strong enough
Do you believe in life after love
I can feel something inside me say
I really don't think you're strong enough*

From *The Thom Bell Sessions* (1979)

*Baby, so they give you anything
Darling, all the joy money can bring
Baby, do they bring you happiness
Darling, you're no different from the rest*

*Can't you see that it's love you really need?
Take my hand and I'll show what a love could be
Before it's too late*

*Mama don't want you
Daddy don't want you
Give it up baby, baby

Electric Light Orchestra - Last Train to London
From *Discovery* (1979)

*It was 9:29
9:29, back street, big city
The sun was going down
There was music all around
It felt so right*

*It was one of those nights
One of those nights
When you feel the world stop turning
You were standing there
There was music in the air
I should have been away
But I knew I had to stay*

*Last train to London, just heading out
Last train to London, just leaving town
But I really want tonight to last forever
I really want to be with you
Let the music play on down the line tonight*

Maroon 5 - Makes Me Wonder
From *It Won't Be Soon Before Long* (2007)

*I wake up, with blood-shot eyes
Struggled to memorize
The way it felt between your thighs
Pleasure that made you cry
Feels so good to be bad
Not worth the aftermath, after that
After that
Try to get you back*

*I still don't have the reason
And you don't have the time
And it really makes me wonder
If I ever gave a fuck about you*

*Give me something to believe in
'Cause I don't believe in you
Anymore, anymore
I wonder if it even makes a difference to try
Yeah, so this is goodbye*

Kelly Clarkson - Because of You
From *Breakaway* (2004)

*I will not make
The same mistakes that you did
I will not let myself
Cause my heart so much misery
I will not break
The way you did, you fell so hard
I've learned the hard way
To never let it get that far*

*Because of you
I never stray too far from the sidewalk
Because of you
I learned to play on the safe side so I don't get hurt
Because of you
I find it hard to trust not only me, but everyone around me
Because of you
I am afraid*

U2 - Kite

From *U2 Go Home: Live from Slane Castle, Ireland* (2003)

*In summer I can taste the salt in the sea
There's a kite blowing out of control on a breeze
I wonder what's gonna happen to you
You wonder what has happened to me*

*I'm a man, I'm not a child
A man who sees
The shadow behind your eyes*

*Who's to say where the wind will take you
Who's to say what it is will break you
I don't know where the wind will blow
Who's to know when the time's come around
Don't want to see you cry
I know that this is not goodbye*

*Did I waste it?
Not so much I couldn't taste it
Life should be fragrant
Roof top to the basement
The last of the rock stars
When hip hop drove the big cars
In the time when new media
Was the big idea
That was the big idea*

Bee Gees - Tragedy

From *Spirits Having Flown* (1979)

*Here I lie
In a lost and lonely part of town
Held in time
In a world of tears I slowly drown*

Goin' home
I just can't make it all alone
I really should be holding you
Holding you
Loving you, loving you

Tragedy
When the feeling's gone and you can't go on
It's tragedy
When the morning cries and you don't know why
It's hard to bear
With no one to love you, you're
Goin' nowhere
Tragedy
When you lose control and you got no soul
It's tragedy
When the morning cries and you don't know why
It's hard to bear
With no one beside you, you're
Goin' nowhere
When the feeling's gone and you can't go on

Bon Jovi - Bed of Roses
From *The Crush Tour* (2001)

*Sitting here wasted and wounded at this old piano
Trying hard to capture the moment this morning I don't know
'Cause a bottle of vodka is still lodged in my head
And some blond gave me nightmares, think that she's still in my bed
As I dream about movies
They won't make of me when I'm dead*

*With an ironclad fist I wake up and french kiss the morning
While some marching band keeps it's own beat in my head
While we're talking
About all of the things that I long to believe
About love, the truth, what you mean to me and the truth is
Baby you're all that I need*

*I wanna lay you down in a bed of roses
For tonight I'll sleep on a bed of nails
I wanna be just as close as the Holy Ghost is
And lay you down on a bed of roses*

You'd make it on the silver screen
Play out your deepest hidden fantasy
Go down in my flame
I know you want it just the same
The way you're sexin' me is frightening*

Madonna - Like a Prayer
From *Like a Prayer* (1989)

*Life is a mystery
Everyone must stand alone
I hear you call my name
And it feels like home*

*When you call my name it's like a little prayer
I'm down on my knees, I wanna take you there
In the midnight hour I can feel your power
Just like a prayer you know I'll take you there*

The Police - Message in a Bottle
From *Reggatta de Blanc* (1979)

*Walked out this morning I don't believe what I saw
A hundred billion bottles washed up on the shore
Seems I'm not alone in being alone
A hundred billion castaways looking for a home*

*I'll send an S.O.S. to the world
I'll send an S.O.S. to the world
I hope that someone gets my
I hope that someone gets my
I hope that someone gets my message in a bottle yeah
Message in a bottle yeah
