The Republic of the Popular Councils of Neo Kerala is a Marxist-Leninist-Maoist

state. Founded in 1948 after our NatDem Revolution, we took the side of the PRC and Marxism-Leninism (Mao Zedong Thought) during the Sino-Soviet split. After the Hua-Deng coup, we joined the RIM, and followed the shining path of Marxism-Leninism-Maoism. We struggled against old and modern revisionism and uphold the Marxism-Leninism-Maoism, mainly Maoism, also held by our Comrades in Peru, Turkey and Brazil, and support the PPWs in India and the Philippines. Depending on how severe the damage is, from 3 years in prison to a lifetime or straight-up death sentence. In case when the saboteur has enough money to cover the damage and its effect, a hefty fine is issued.

Depends on the context: If government secrets were leaked, causing a risk of or an actual loss of life then the sentence could be life or death at most, a decade in prison with no chance of parole at the very least.
