alcohol relating to alcohol, duty relating to the breweries and people who work at the breweries, and cuts relating to the shutting down of the breweries?

Canada says decision not to interfere in the ongoing Euro-American standoff does not violate Treaty of the Federation. German government calls for everyone to 'calm down before things get out of hand'.

No:

- **duty:** a form of taxation levied on certain goods, services, or other transactions (in this case, the import of alcohol), and
- **cut(s):** a decrease or reduction in something.

If the headline was about breweries, then I would have explicitly made it so.
