11/10. If the ripples didn't give it away, the face with black, soulless voids for eyes and a twisted grin that shows a lust for blood does.

6/10. Needs more intergalactic supremacy.

We stand not for kings and for lords, but against them. We fight not for race and oppression, but to smash them. We struggle to bring freedom back in the hands of the people, on the riverbanks, up in the mountains, and out on the sea.

Red, White and Blue are a 50/50 when it comes to evil, but that's generally the best a RL country can ever hope to have, so 1.5/10.

10/10 Truly Satanic

#### Brief nation summary:

Imagine an unruly federation made up of a bunch of kinda Celtic-ish, sorta Germanic-ish tribes.  
Then add a government which used to be a fire-worshipping cult, drugged up berserker soldiers and Red Jesus.
