Someone who doesn't *want* to change

My nation - which is pretty much just a unified Korea with some extra territory - represents my real views, as does pretty much anything I say on the forums. NS stats only broadly representative. Feel free to call me Q&K, Quartia, or any other nickname.

That would be nice! Though Die Linke is basically the part of Ostalgie though I am sure younger members are changing that. I remember when people thought the Jamaica Coalition was going to be the Bundestag.

Still me.
