Somewhere in Florida or The Caribbean

Im leaving nationstates to prepare for EMP attack by the US government
A Futuristic Fascist empire in the American southwest where the population is selectively bred for eternal war and spiritual civilization.

Califomia?

What if Democratic Russia and Syndicalist France, Britain and the US(CSA?) won the second world war AFTER Germany won the first?
Well, don't ask me, I'm trying to imagine how it would work out.
Russiyskaya Respublica is most def too long and too much of a mouthful, so, just call me Russia or Russian Republic, officially though it's "Russian Federal Republic".

South Korea

Hey there, i am a factbook writer.If you love proxy wars and bloodshed and sub Saharan Africa or FC2.

Then come and read my humble history Factbook.

https://www.nationstates.net/nation=bowa_sekoa/detail=factbook

I do not use NS stats much, but they give a pretty OK idea of my country. But the population is obviously not true.

I am a Yankee.
