You're English is quite good. Not shorthanded, which means you take this pretty seriously. America is a good guess, but I'd like to be a little more specific. You have this sort of, tribal sea thing going on. I think that might suggest you yourself live near a large body of water and are also fascinated by tribes. I can't pin you to a state, but I will say that you're likely from the USA, and live near/on the pacific ocean! Final answer!

Ahh, wrong ocean buddy. Do wish I lived on that side tho...

AN: I wanna say somewhere in the former Yugoslavia. Because of the demographics of your nation, though that could be completely made up, I would say **Croatia**.

I personally use NS stats. The stats and policies more so reflect my political views than they do my personal beliefs.

Note: Many factbooks are in a constant state of WIP or being considered for entire rework or deletion

Welcome to The Alpes a Septentrionali Imperium, a nation where I brutalize and adapt Latin and French History to my needs to get my Ultraroyalist Absolutist French Monarchy with a vaguely French-sounding fictional royal family to work.

Don't ask about the flag, it has something to do with RMB RP that I'm involved with.
