Very well known, I constantly see them in F7. They are probably the nation I see more often here.

I've been seeing them for a few times in F7, so they are quite well-known I suppose.

I've seen this guy on Forum 7 a few times before

I'd say this nation is about 85-90% representative to my beliefs. About the only difference between my nation and beliefs is that free markets are effective in a select few situations, and the compulsory organ harvesting is kind of screwed up

I recognize them somewhat and see them around every now and then. Moderately well known, mostly to NS Forum regulars.
