Mon 1101 tried to win a drinking beer pong against some balkan people with their hardest booze

We don't really know what happened but we can say it involved alcoholic poisoning and bladed weapons

Fyddin is a kind yet isolationist nation with a Parliament, Grand Court, and Jarl
which serves a presidential role. Though laws may be strict, all decisions are
made for the average benefit and safety of the citizens. The fishing trade is
thriving, weed is legal, and the people are happy.

Monkey 1097, secretly a mole for the Monkey Police, found himself in a most
difficult position: either stay loyal to his newfound family and lose his previous
life as a member of the force, or give it all up for a banana.

The banana was stuck in his throat by the time authorities collected the body.

Monkey 1092 didn't know how to use a gun, and ended up misfiring it. The gun's recoil made him go unconscious.
