You call my flag British one more time and I'm eating a bassoon.

Your flag isn't British, it's... it's... I'll think of another thing it's like (though I will admit it took me a while to notice the similarity).

Honestly, your nation needs a revolution or at least a coup, my friend.

Unfortunately for them, it looks close to impossible, considering the powerful and large police and military forces suppress the people, the news is all propaganda, and the poor are too helpless to do anything.
TN will just get more food to fill its stomach.
