No corporations in Voistania! However if you blew the head of a government controlled "corporation," it would mean a thorough investigation, ending in either 10-20 years of community care (form of rehab), or death

Murdering someone who was robbing you

Tired of having to say this: The Kingdom of Voidstania is not a kingdom. It is a communist dictatorship with a weak democratic senate under the guise of a monarchy. Normal country stuff.

Also, NS stats and policies are not canon (Because I have a tendency to click the wrong options and give myself dumb policies)

If this happened inside your own home, not a crime at all. If this happened elsewhere, depending on if the robber was armed, it could be a) not a crime, b) punished by a fine, or c) punished by a stay at the penitentiary.

Depends on context. While the Miliz do possess the ability to do shit to civilians without any orders (such as even murdering them without trial in case of National/regional emergency or as collateral damage during operations), there is a very strict rule when such behavior is and when it isn't allowed. Doing anything out of the list will easily land this officer reduction in rank and heavy fines, repeated offense may even warrant prison or death penalty, depending on the severity of the crimes and the innocence of the punished civilians.

I'm kind of confused at what did AN meant by "time heist". If it's the Marvel thing, it is *not* a crime because of its nature.

A surgeon that botched a circumcision procedure, causing *irreversible* injury to the patient.

A federal left-wing nationalist country situated in a fictional world in the extended Cold War timeline. Authoritarian by Western standards, Libertarian by Eastern standards. Atomic Tech - The year is 1978.

Not a crime if the doctor can prove he is not intended to hurt his or her patient, but if it was intended the offender will be imprisoned for from 6 months to 10 years and the certification will be cancelled permanently. While the victim or his family member may sue the doctor in both situations to get compensate for the injury.

Use stolen or borrowed ID to purchase firearms (or any form of weapon that can be somewhat legally purchased after registration.)

No punishment for stopping time, recompensate the loss of the construction team or return the stolen stuff plus at most 24 months of jailtime for larceny.

Set leaves on fire in his or her own backyard and accidentally burns down the whole neighborhood (but luckily nobody got hurt).
