Oddly, there doesn't seem to be a row with someone wearing a #1 armband, despite there being rows #2, #3, and #4.

Setting that aside, I interpret the primary banner as being indicative of a highly militarized nation with a police state that suppresses dissent through the threat of violence.

It's a picture of a paused VHS tape. (On a personal note I immediately had Vietnam memories after seeing that banner)

By the banner, I'm assuming they're definitely in the 80s like my nation. Perhaps later in the decade, or even into the early 90s possibly. It gives me warm and fuzzy nostalgias.

NINJAD: This is either a meme, or indicative of a bit of authoritarianism (the piercing glowing eyes)

OOC: I'm inclined to think the banner is a photo of the capitol. Nacrad is an urban, advanced nation along a coastline, and it enjoys a clean bay and unpolluted air, the fruits of sustainable development.
