Dogs of war By Christopher.Lennertz

"Socialism isn't about walling yourself in, it's about reaching out to others and living with them."
It means not only dreaming about a better world, but making it happen."

everyone knows that quote, "I know not what weapons World War Three will be fought, but World War Four will be fought with sticks and stones," but in a way it's optimistic and inspiring because it suggests that even after destroying civilization and returning to the stone age we'll still be sufficiently globalized and bellicose to have another world war right then and there
