To be honest, I know the feeling sometimes. Not today, because I was just with parents and sister, but when my grandparents were up here for a week...Part of me didn't want them to leave but another part was ready for some relaxation again. No offense to them but they suck at being guests.

Yeah, I get that.

Today it was just me and my parents but even that is too much for me much of the time. There's other stuff but it's not worth complaining about...I'm grateful for what I have, and I'm focusing on that.

So, 3 Venetian Snares album, 1 Aphex Twin album, and 3 Crystal Castles albums today (Well kinda. More like in the last 24 hours)...on Christmas. Most of them long albums.

Not bad.

This is what happens when you wake up hours before everyone else on Christmas day.

Aaand now to add a new artist instead of, you know, going through what I already have..again.

Tim Hecker-Prism

Ambient drone electronic I think.
