CYNIC, n. A blackguard whose faulty vision sees things as they are, not as they ought to be. Hence the custom among the Scythians of plucking out a cynic's eyes to improve his vision.

The West won the world not by the superiority of its ideas or values or religion ... but rather by its superiority in applying organized violence. Westerners often forget this fact; non-Westerners never do.

The most fundamental problem of politics is not the control of wickedness but the limitation of righteousness.

Health - Psychonaut
Album: Vol 4. :: Slaves of Fear
Genre: Electro-Industrial, Electropop, Industrial Rock
Witch House, EBM
Year: 2019

This sounds like a mixture of their old style with their newer style, and sort of like they made their Max Payne 3 soundtrack into an album (Specifically Tears), and if this is what the whole album feels like, hell yeah.
