The Sweetest Kiss Of All - Chris de Burgh

Also, I just checked to see what genre iTunes thinks a certain [song](#) is in. For the first 90% of it, it's just piano and another instrument which I think is a violin. The lyrics at the end are sung softly. iTunes classifies it as *Rock*.

[Of Monsters and Men-Yellow Light.](#)

Kinda has a Post-Rock feel to it compared to most of their songs. Either that, or I've just been listening to too much Post-Rock. Either way, great song.

[Agent Fresco-Eyes of a Cloud Catcher](#)

Whoa, this is actually pretty damn sweet. I looked at the 2 bands Of Monsters and Men liked on Facebook, and ran across this Icelandic band that has an interest clash of music going here. Iceland and their musical genius'.....

Edit: Cosumar, Oterro, Azrael, North Wiedna, and others I know might be interested in checking out this band.
