HOKAY...

razzum frazzum made me do this on my lunch break...

I READ IT THUS:

Socensburg, the point of the AN Out of Context thread is that you need to look at something that the above poster either said in a forum post or in a factbook. Your post took in a comment that Beliras never stated, and that is why he /stillme'd your post. **I acknowledge that Beliras did NOT need to phrase it as 'time to hit you with the /stillme truck' which is needlessly provocative and garners an unofficial warning as such.** That said, your subsequent swarm of /stillme's precipitated a lengthy threadjack. For this, Socensburg is ***** WARNED for Threadjacking / Spam *****, specifically for continuing the /stillme spam after another poster had actually given them an actual response.

That being said, the threadjack was NOT done in a vacuum. Multiple posters got involved in that thing and did NOT help matters. The Chill Pill commentary was also needlessly provocative. No other official warnings will be given, but I'mma be keeping this moment in mind if any of y'all get involved in another /stillme shootout.
