At first I couldn't recognize it because of the new flag, it was confusing, but I recognized this nation by the hare of characters in the sig, which shows that it is so well known that even with the change of flag it is easily recognizable.

Quite well known on the RP threads, on F7 I see them popping in from time to time. It's not a nation you think of to symbolise the forums, but you recognise them immediately. Still, due to the short time spent here, I wager a lot of people won't know them. So I'd say pretty well known in general.

Khoikhoia • The Khoikhois Republic • NS Stats were jailed for war crimes they committed from 1974 to 1991

Liberty, Equality, Union • Liberdade, Igualdade, União
"Land of the Adventurous" • Crime-filled alcohol-free Portuguese-English South African democracy weedfest, not too bad • Minor retcon in progress • Memes coming soon!

I've never seen them and they don't seem to be that active nowadays, so probably not too well known but a few may know him.
