On the flag there is a red circle behind the German eagle.

Basically the Axis if WW2 was a stalemate. Currently late 40's/early 50's. In a bit of a cold war except that no one has nuked anyone yet and no one wants to be the arse that does it first and give it away. Now featuring heavy doses of propaganda and military parades.

I dun use no NS stats, ya hear? I'm a bit more realistic than mandatory-helmet-wearing.

My NS stats are **not** indicative of my OOC views. NS stats are meant to be rather silly. My OOC political and ideological inspirations are as such:

The Republic, by Plato | Leviathan, by Thomas Hobbes | The Confucian civil service system of imperial China | The "Golden Liberty" elective monarchy system of the Polish-Lithuanian Commonwealth | The corporatist/technocratic philosophy of Henri de Saint-Simon | The communitarian ideological framework of the Singaporean People's Action Party | "New Deal"-style societal regimentation | Kantian/Mohist/Stoic philosophy
