Federal parliamentary republic.

A federal left-wing nationalist country situated in a fictional world in the extended Cold War timeline. Authoritarian by Western standards, Libertarian by Eastern standards. Atomic Tech - The year is 1978.

In process of retconning, especially regarding geography and demographics.

Based solely on the flag? Probably an oligarchy

"that nation would probably be violent" (looks at cosnicu's pacisivism score)
"that nation is right wing" (looks at Cosnicu's form of governance)
"that nation looks like its straight out of a comic book" (Olkey. this one is technically right, but i didnt recognize it at first)
"that nation is a corrupt dictatorship" (looks at Cosnicu's political freedom and integrity scores)
"that nation is scientifically advanced" (finally)
...just the typical day on forum 7
