This nation is what happens if I stretch my ideology, until I can't no longer agree with it. Including the Kaiser.

Traditionalist, Identitarian, CHAD, Ultra-Nationalist, Monarchist.

My political compass (I'm not a Nazi, I swear.)

"I've always been leery of the United Nations. The very concept is comically dichotomous. Nations putting their self-interests aside in the hopes of building a global community, holding hands and Kumbaya? I mean, honestly, it's like kindergarten. Do you have rug time? I did love rug time."
