Laughed at for using firearms in a civilization where spacetime itself is defined by your personal whims.

Going 35 years into the future and murdering your future self.

Obscenely advanced human civilization that makes the Q from Star Trek look primitive by comparison.

Does not use NS Stats.

Fine or up to 2 years imprisonment, depends on cost of damages and offence the image may cause.

Street racing?

Imperial States of Duotona

Duotona is a nation nestled in the Pacific Ocean. Marked by the scars of its bloody past, the people of Duotona persist and have given the nation a voice from which it preaches the word of peace and democracy across the globe!

Nation reflects OOC views. NS stats are sent to the shadow realm.
