7/10, satanic looking ass symbol

If you can't see my flag well, it's the Danish flag with a golden symbol known as the "yaz", it's a letter in the Berber alphabet, and it's known as a Berber symbol of nationalism and liberty, it's meant to represent the equality of Berber and the Danish

I'm taking a break from not just NS, but the 'nets in general, I have a lot of school to do, so.... but I will return next Thursday
