Imperial University of Hornislav suspends 4 students for distributing pamphlets defaming victims of Transselania serial killer Strahoslav Nesyrov, and supporting the killer. Rector: "Freedom of speech is no excuse for supporting terrorists."

Ah, one of my favorite culture war debates at all times, Free speech in college!

Defaming victims of mass killing is sick, but for a first offense, I would've just strongly urged these students to stop their hate-mongering.
