Lonesome Valley sung by Pete Seeger

What must rise, must fall. What must live, must die. What must be, must cease. Only the One shall remain. *O Pious, do not forsake us! We keep the Law of the Mater Atkana. Her name is ever upon our tongue. O Pious, do not forget the Children of Atkane!*

Imperial States of Duotona

Duotona is a nation nestled in the Pacific Ocean. Marked by the scars of its bloody past, the people of Duotona persist and have given the nation a voice from which it preaches the word of peace and democracy across the globe!

Nation reflects OOC views. NS stats are sent to the shadow realm.

I'd say this nation is about 85-90% representative to my beliefs. About the only difference between my nation and beliefs is that free markets are effective in a select few situations, and the compulsory organ harvesting is kind of screwed up

The West won the world not by the superiority of its ideas or values or religion ... but rather by its superiority in applying organized violence. Westerners often forget this fact; non-Westerners never do.

--S. Huntington

The most fundamental problem of politics is not the control of wickedness but the limitation of righteousness.
