Factbooks and dispatches (which are works in progress) are the primary source of information for my nation. I try to have my stats match my idea of my nation but I think policies are the stat I can control the most.

I don't dislike anyone here. Agree or disagree, we're all compadres. :-)

It means, literally: How do you do, you lot, how be is you?
Basically, "Hello all of you, how are you?"
