Good song...but I'd rather it be "One Bourbon, One Scotch, and One Beer". Darn Satelite radio.

"Slow Ride"--Foghat

Funny story: I got my dad a CD with various songs from various artists for Christmas last year, but it never mentioned on the CD that they were all live takes, and many of the tracks weren't recorded by their original artists. Slow ride was the first song on disc one and was recorded by Foghat on the CD...on disc three was Foghat's other hit, Fool For the City...recorded by a certain FOHAT...  
I can't figure out if it's just a misprint, or if the cover band didn't realize faux is spelled f-a-u-x, not just f-o...funny still though!

Decided to address a few issues and see what was in the forum before crashing into the pillow. Before powering down, I was listening to Dwight Yoakam, "Thousand Miles From Nowhere" and wishing I was driving a deep-space vehicle somewhere out on the Orion Arm...
