That was a weird version of that song...

The game itself looks potentially good. Not that really excited or anything.

Tom Waits-Hold On

One of the best voices in music ever.

Seems to get referred to as "Blues rock".

He's got quite the good lyrics, too.

I'll have to check him out. I really enjoy the little bit of blues rock that I've heard.

Anyone else needs to go several pages back to find a song they've
heard of?

Andrea Bocelli - Il mare calmo della sera

A propriedade não é roubo: não é nada.

Não o prazer, não a glória, não o poder: a liberdade, unicamente a liberdade.

Pros

Cons

Feel free to TG me or to propose constructing embassies, which is something entirely different. Anything related to strategy is my
thing.

Not really. I listen to enough music I can see stuff I know and like a fair amount. Though, people still listen to a varied enough amount names don't pop up THAT often.

And you can just type it in the search and find the posts with stuff you know.

I follow pretty much every page of every one of these threads, mindlessly reading every post that gets sent in here, so yeah...
