Mickey Mouse Jr. was first elected President of Comicsland the 6th of July 2015, after he won the last election round against Donald Duck with a slim 4% majority.

After the end of his first 5-year mandate, he was re-elected again on the 14th of February 2020, after he won again against Donald Duck but, this time, with a minuscule 1% majority.

Wow such history
