A man of culture I see.

I'd go with United Australia. Their views are honestly rational and more in line with my ideology.

Also, to be quite frank, if this was intentional, it's cool to see a nation that doesn't have fifty-million political parties in their factbook. Although, if you are gonna maintain a two-party system in the nation's lore, it might be best to go for the typical center-left and center-right party deal. And *maybe* a minor radical third party.

I like the Constitutional Conservatives. They seem to be the most level-headed of the bunch. (Nice Judiciary by the way. 🤔)
