Somewhat struggling to become not lazy.

Same with me here.

Koninkrijk van de Oranien Eilanden en Nassau
Audaces Fortuna Iuvat

A fairly new kingdom in the Tradelands region of the world of Helethern that had recently come out of a deadly conflict between Oranic supported Nassuvian rebels in the Nassau isles revolting against the Kingdom of Silvercrest; where the world would see the Duke of Nassau be tried for crimes against the Nassuvian people, the Nassau isles declaring independence and enter a personal union with the Duke of Orange and his Grand Duchy to the east, and a new Kingdom being formed with a fairly powerful military that competes with its counterparts to conquer and colonize territory and become the richest in the Tradelands.

The Aquaria: Then, there was the time I was running a financial aid program on NationStates, and this cute little New San Andrea's Republic walks in the door. I says "Oh there you are looking so cute, how much financial aid was you

looking for?"

Well the NSAR looked up and said to me: *"I need about tree fiddy."*
