What if Eastern Rome survived?

Basic Overview: Basically an althist where Basil II actually has decent successors who build on his achievements, resulting in a STRONK ERE that beats back the Sejuks and eventually does it's own reconquesta in the Middle East. Also, The Crusades never happened, the Viking conquest of Britain succeeded, and the HRE became a centralized state and destroyed the Normans.

How evil is The Rhoanian Empire?Based on their flag, 8/10, not only because of the colour scheme but something about the design of the eagle seems to emanate imperialist vibes.

Color scheme is dark, implies general evilness 🤡 Sickle in top left implies communism, which is usually not good.

The dark colors look sinister and the crown in the center gives me an evil vibe. Crowns are also indicative of an absolute power, which is not usually seen positively these days.
