Melt-Banana - *Spider Snipe*

**CVT Temp wrote:**

I mean, we can actually create a mathematical definition for evolution in terms of the evolutionary algorithm and then write code to deal with abstract instances of evolution, which basically equates to mathematical proof that evolution works. All that remains is to show that biological systems replicate in such a way as to satisfy the minimal criteria required for evolution to apply to them, something which has already been adequately shown time and again. At this point, we've pretty much proven that not only can evolution happen, it pretty much must happen since it's basically impossible to prevent it from happening.

Luup-See You In Me

Yeah. And what makes it even more pointless is that I can fix it simply by adjusting my birth date...that's how I even knew they blocked it for that reason. And I can't get over the fact that all it is is her back. For God's sake, it's not like it's full frontal nudity that's barely (pun not intended ☐) covered up (which would also be a stupid reason to block it imo)...it's her back. I could go on a rant about how much I hate this kind of stupidity, so I'll just end it there. ☐

Also, I think the age is 21 on there, which...is just even more effing stupid.

ONLINE

☐ by **Corrian** » Fri Jun 06, 2014 1:51 pm

☐ Our Internet provider hooked us back up to a different server yesterday after the Internet crapped out, and the server they plugged us into was substantially slower and the same speed as what we had back in the day before they upgraded our lines out here.

That explains the slow Internet speed.... ☐ Sometimes the things that happen related to your providers is hilariously stupid (And really irritating at times). Like when, within like a 5 month period, our power was turned off THREE TIMES because we "Didn't pay the electricity bill", when my dad paid it EVERY SINGLE TIME, the bill just didn't go through properly THREE DIFFERENT TIMES, even with him trying to pay it in two different ways. I dunno what my dad did. Sued their asses? Threatened to? Something, because you get a "Charging fee" to get your power back on, and while we didn't have to pay it because my dad was like "Um, hello, I paid for the damn thing", it's still freaking annoying and it stopped being a problem since then. He was probably like "Get your freaking system working properly" or something ☐.

Ugh, providers are the most annoying things to deal with sometimes

☐

### Республіка Рюрідова - Королівство Вілкія

"For I was hungry and you gave me something to eat; I was thirsty and you gave me something to drink; I was a stranger and you invited me in; I needed clothes and you clothed me; I was sick and you looked after me; I was in prison and you came to visit me... Truly, whatever you did for one of the least of my brothers and sisters, you did for me."  
- the Gospel of Matthew, 25:35-40

Or even just look at the player.  
MusicBee has a big picture of the album cover as I'm listening to it.  
Take that you Puritanist clowns! ☐

“

I could go on a rant about the whole concept of censorship in general, but yeah....

Same.

“

...It is? That would explain it, then...and still be stupid. If not more stupid

Pretty sure. I set my birth date back two months so it would recognize me as 18, but it was still blocked. But when I set the year to 1950, it finally appeared. ☐  
It's asinine.
