Royals - Lorde

Holy crap, it's probably the first Top 10 song that I actually liked when I heard it the first time. And it's from a Kiwi!

[Isis - Hall of the Dead.](#)

Somebody suggest me something to listen to, preferably something Grunge-related or something Melodic, like Isis here.

I am a registered Independent, an enthusiast of Political and Economic history and an American Citizen.

Sludge metal? [Kylesa](#), [Mastodon](#), Baroness, [Electric Wizard](#), and [Jesu](#). All fairly different to each other.

Of course Isis varies beyond that (and these other bands I mentioned), but still.

If you want more like Isis' post-metal, I could probably help, too, but in instrumental form.
