Bob Dylan - Blowin' In The Wind

*How many roads must a man walk down,
before you call him a man?
How many seas must a white dove fly,
before she sleeps in the sand?
And how many times must a cannon ball fly,
before they're forever banned?*

*The answer my friend is blowing in the wind,
the answer is blowing in the wind.*

*How many years can a mountain exist,
before it is washed to the sea?
How many years can some people exist,
before they're allowed to be free?
And how many times can a man turn his head,
and pretend that he just doesn't see?*

*The answer my friend is blowing in the wind,
the answer is blowing in the wind.*

*How many times must a man look up,
before he sees the sky?
And how many ears must one man have,
before he can hear people cry ?
And how many deaths will it take till we know,
that too many people have died?*

*The answer my friend is blowing in the wind,
the answer is blowing in the wind.*

*The answer my friend is blowing in the wind,
the answer is blowing in the wind.*

My friend loves that band.

Under The Boughs, The Sword.

we, unlike the bourgeoisie, have nothing to lose and therefore our expression will be the only honest one, our words will be the only challenging ones and our art will be the one revolutionary expression. We need new noise and new voices and new canvases to become something more than the last poets of a useless generation.
