With 900+ posts that NS actually cares about, and over 6000 elsewhere, it's clear that Meadowfields is practically ubiquitously known. Only extremely new/non-posters/weirdos wouldn't know who they are, so extremely well known is the descriptor I would use. Which of course, I would say is a good thing.

"We won't be taxing, bureaucratic hypocrites forever!"

We're fighting a costly, not at all drawn-out war against the Roman cosplaying enslaving scumbags known as [Caligulas Legion](#)! Suck it and die from your 'headaches', you bald b*stard.

Are you aggressively coked-out? Do you join regions for no reason? Do you like copious amounts of drugs, eating Mexican food from taco trucks and the searing hot desert sun? Join [Calexico](#) and [Mexicali](#) then, moron.

Do you too wish to patrol the Senora, almost making you wish for a nuclear winter? If so, consider joining our [Embassy Program](#)

Pretty well known and memorable.

- Snowland / the Snowish Republic -

Snowland, officially the Snowish Republic, is a country located in two entire planets. Snowland is a socialist state, with multiple political parties, but all being a different type of socialism. Snowland contains both humans and furies.

If you have any suggestions for what I could add to my factbooks, you can DM me what the suggestion is, and I'll see if I'll use it or not. No fascist nations allowed, not even if you don't believe in your nation's ideals.

Other account with Snowland as its name (currently dead): [Snowland](#) | I don't think this nation represents my views? I don't think? Probably not.

! Support Palestine, please !

Not well known

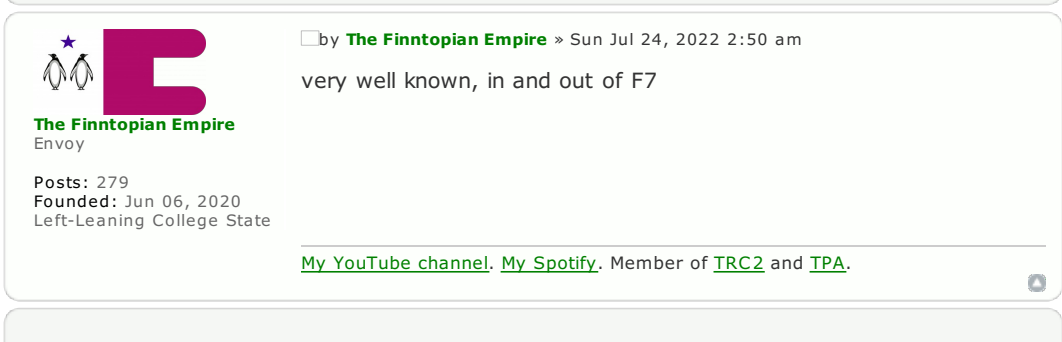

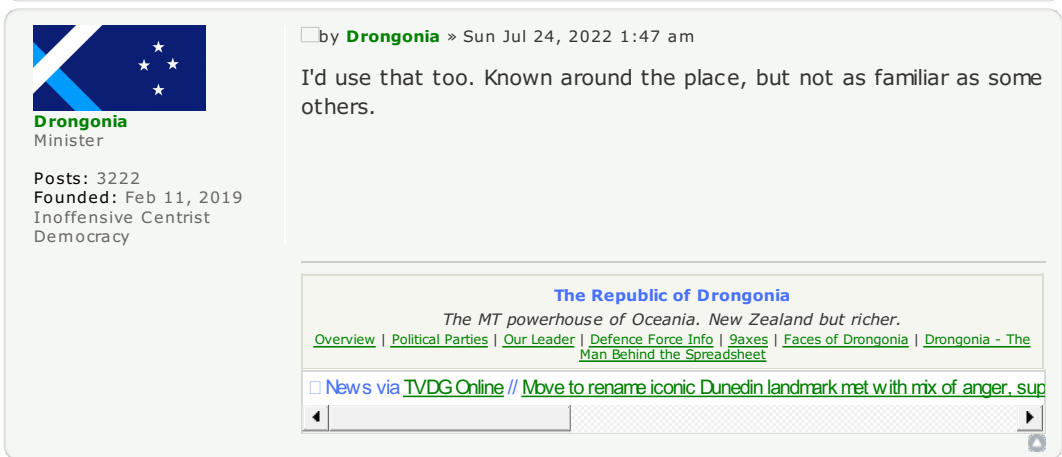

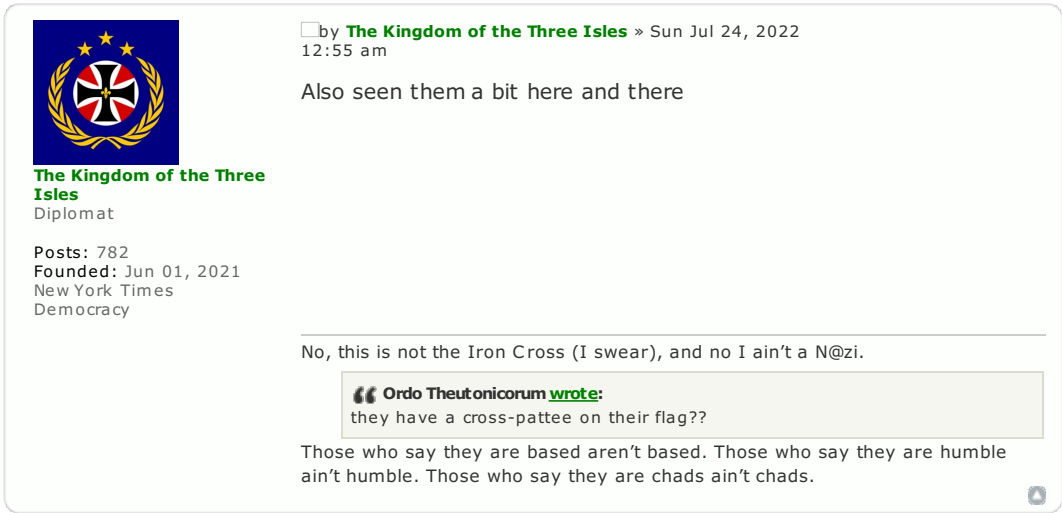

For F7ers who joined last month, in about all the popular F7 games about YN, you see this man. Very well known.
