I watch Gravity Falls, you need a Zodiac with 10 different symbols.

Bill Cipher wannabe, I know you lose, it's fate.

Vance Ajik is recovering from fighting Zirol, NS Stats were caught in Monkey Genocide and were never seen until their life link was brutally annihilated by Kronos, and one more thing the mitochondria is drunk from being the cell's powerhouse.

Anyway, can I get me as a doppelganger? If you're not BN but BBBBN or whatever, that's fine too.

But as a rule, if you want to please me, make a region identical, make a fake Atlanc in Tinga, etc. Everything. One difference: put a dispatch that says this
